Hi Media,

Thanks for purchasing your new domain, www.europeanmediaeducationlab.com with Weebly!

With a custom domain name your site looks more professional than ever and you've made it easy for visitors to find and remember you. Way to go!

Read on to get acquainted with your new domain, or scroll to the bottom for your receipt...

Setting up email @ your domain

Adding your own email address (e.g. contact@europeanmediaeducationlab.com) gives you instant credibility and promotes your brand and website with every message you send. We have partnered with Google to make getting your email up and running super simple. We take care of all the setup for you and you can manage your website and email in one place from your Weebly account. Best of all you can try it free for 15 days to make sure it's right for you.
